*'I've advanced further in my understanding and use of Office 365 and Azure after two DMS seminars than in two years dealing with a major managed service provider'*

**Tim Dawson** ICT Manager *Moat Community College, Leicester*

### The Agenda Will Include ...

- DOMAIN JOINED IS DEAD!** Centrally manage any devices, with any apps, same shares, same printers!
- LAST of ON-SITE DATA** Seamlessly migrate to the secure cloud, GDPR compliant with Office 365. Authentication only.
- DISASTER RECOVERY** With Microsoft Azure
- PRIMARY SCHOOLS** EASY to use CLOUD solution
- SKYPE for BUSINESS** Replace your PABX - SAVE £s
- HYBRID DOMAINS** On-site PCs also exist in Azure, AD for extensive management, deployment, lockdown and encryption.
- GDPR ISSUES?** Office 365 can automate for you
- SERVER 2019** New features and tweaks
- END of PROXY FILTERING** Security the Fortinet way
- WIFI | SWITCHES | CCTV** Low cost UniFi solutions

### DMS Seminars ...

- ... are **Flexible and Interactive** With opportunities for questions on any IT issues.
- ... are **Technical and Empowering** We'll empower you to get more from your network.
- ... offer **Non-Proprietary Solutions** All Microsoft based, which we can implement, or empower you to.
- ... encourage **Questions** Network with local peers. And please, ask questions!

### DMS – A Specialist Service to Education ...

- Windows 10 Migration** Which version? How to configure and deploy? We'll show you what's best.
- Decreasing Funds?** We maximise **savings** using existing hardware, fast remote apps and proven low-cost products.
- More Tools - for free!** We'll show you how to use features and tools that are **free with MS networks**.
- Security Worries?** Get **peace of mind** with a Cyber Threat Assessment and Next Generation Firewall.
- BYOD – it's here now!** How to **control** students' device data and app **permissions**
- Faster – Cheaper!** **Extend hardware life** with smaller, faster, more secure HyperV 2016 Nanoservers.
- Juggling Staff?** Our tools let teachers do daily tasks to free your time. Need special support or an **engineer** to cover sickness or holiday? We can help.
- Open and Empowering** We'll empower **you** to maintain **your** network with MS solutions, you won't be tied to us.
- Contracts Optional** 'Pay as You Go' option - you pay for services, with phone support, as you need them.
